Agility 4 Fun - 4wk Course

Our **agility** class is designed for owners & dogs who simply want to have fun together while learning something new and interesting.

Class focuses on: Control & coordination exercises. Dogs are taught to jump over hurdles, climb an A-frame, weave through poles, run through tunnels, and more!

A great way to bond with your dog and burn off his/her excess energy! Extremely beneficial for shy and fearful dogs! **Agility will help build confidence in themselves & handler.**

Dogs in good physical condition at least 7 months of age that have completed a puppy or basic obedience course and can sit, down stay, and come are welcome. Skills need not be perfect but owners must be able to easily control their dog.
