

Canine Learning Centers' Specialty Classes

Congratulations! You have completed Basic Obedience! The next step is to perfect the exercises taught in Basic Class and learn some new and useful ones.

Agility 4 Fun is a great way to gain more control of your dog. He/she will learn coordination and expend some energy! CGC class will focus on mastering the Canine Good Citizen exercises, which will serve to improve your dogs' behavior both at home and in public. Find out what it's like to have an attentive, well behaved dog by continuing your progress through ongoing training.
